# I have an Onan generator with a power rating between 4-32kW; what Maretron adapter cable should I order to connect the generator to the J2K100?

259 Mark Oslund July 17, 2015 J2K100, NMEA 2000 Cables and Connectors 0 7.92K

The Maretron adapter cable MCF-2M-D12 (J2K100 adapter Micro female to Deutsch 12 Pin 2 Meter Cordset) connects an Onan generator with a power rating of 4-32kW to the J2K100.
