I know that the WSO100 mounts on a standard marine antenna pole (1"-14 threads per inch); who manufactures standard pole mounts?

45 Mark Oslund July 13, 2015 WSO100 (Discontinued) 0 6.79K

To find manufacturers who provide pole mounts compatible with the WSO100, search the internet for these terms: marine and antenna and mount, or try these companies:

- http://shakespeare-ce.com/marine/
- http://acantennas.com/product-search
